

MAKERS BED RANGE 2024

Making a change.

How the Makers bed range
is setting a new standard for
comfort & convenience in beds.

“We chose Midnight beds because it made sound economic sense, and they were available within 3 days. We get frequent comments from our guests as to how comfy these beds are. We will continue to use Midnight beds across all our inventory categories.”

The Hermitage Aoraki, Mt Cook

MIDNIGHT

EURO-TOP

Introducing The Makers Bed Range.

We started from the ground up...

We spoke to hoteliers all over the country to see what was needed in a bed.
This is what you wanted.

1.

A LONGER WARRANTY FOR ONGOING PEACE OF MIND.

2.

A GREATER LEVEL OF COMFORT FOR THE SAME OR SIMILAR PRICE.

3.

A REDUCED DELIVERY TIME, (4-6 WEEKS IS WAY TOO LONG).

Together with our wide experience in hotel beds, understanding the expectations of discerning guests, and daily challenges of housekeepers, we worked with bed experts to innovate our Makers range of fit-for purpose beds.

1.

A LONGER WARRANTY

It's not rocket science that beds in this sector get a hard time. From constant use to budding 'trampoline artists', no one envies the life of a hotel bed!

For this reason, we're pleased to be able to offer 10 year warranty on Makers Midnight Mattresses, giving you greater peace of mind.

2.

A GREATER LEVEL OF COMFORT

Where some brands reserve the renowned 'pocket spring' feature for the more expensive ranges, not the Midnight Range.

Both the Midnight Comfort-Top and the Midnight Euro-Top feature a Pocket Spring system, which reduces partner disturbance while providing consistent support across the mattress night after night.

Complete body support, providing pressure relief for your joints are added benefits!

3.

QUICK DELIVERY, EASY TRANSPORTATION.

When you need a bed, you need it now - right? But traditionally the wait time can be anywhere from 2-8 weeks, which is understandably annoying.

We wanted to change that so the Makers Midnight Range is compressed and rolled which means we carry them in stock, ready for same day dispatch. Also, being compressed and rolled makes them easy to move! Navigating hallways, lifts and stairs are no longer an issue, transportation is a breeze.

Our Makers Midnight Commercial Bed Base is supplied flat pack, with no tools required for easy installation.

You can have a luxury hotel bed in your room within 2-7 days.

It all starts with the
right base.

Makers Midnight Commercial Bed Base.

A quality bed base for all accommodation types, supplied flat packed for easy and convenient setup.

“Right from day one I was impressed by the warm and efficient service I received from Vendella. We had a lot of requests that were outside of the box and no ask was too big. The deliveries were always on time and the quality of product has never let us down.”

Hannah McAlpine, HAKA Hotel Suites

KEY FEATURES 	SIZES AVAILABLE 								
<ul style="list-style-type: none"> • Strong upholstered hotel bed base delivered in unique flat-pack form. • Super-fast lug and slot assembly. 	<p>Single Double Queen</p>								

“Working with Vendella is a dream. The team are well informed about their products and go the extra mile with our needs. The King Split beds are fantastic. Often guests are happy to share a room but not a bed! It gives us the flexibility of changing the room to suit a guest, the luxury of a King or the comfort of two beds.”

Beth Simpson, Trinity Hotel

Makers MII Commercial Bed Base

Introducing the new Makers MII Commercial Bed Base - the foundation to a good nights sleep. Our innovative bed base is superior in quality to traditional upholstered bed bases, yet conveniently flat packed for fast shipping, compact storage and designed to make installation a whole lot easier. Say no more to struggling with a bulky bed frame up the stairs, into lifts, down narrow hallways and through skinny doorways!

Once quickly assembled, it appears in the room as any smartly upholstered bed base with its tidy, padded, black microsuede sides (no valance required) to create a uniform finish. Supplied with castor wheels for head of the bed, to ensure easy movement when making the up the bed after each guest turn, and rigid glide legs for the foot of the bed for stability and support.

- Strong upholstered hotel bed base in unique flat-pack form
- Super-fast lug and slot assembly. Extremely strong quick-click corner brackets enable efficient and effortless assembly of the bed frame – no tools required!
- Suitable for all Vendella and hotel industry size mattresses
- Side height: 26cm + default leg height: 10cm (5cm and 15cm leg options available)
- Replacement parts are available for most components
- Hygiene - The base can be easily dismantled and individual parts treated for bed bugs if an outbreak occurs. In comparison, enclosed bases can be a haven for bugs and harder to treat!

CODE	DESCRIPTION	W	L	H

5 YEAR WARRANTY

Quickly assembled with no tools required. Most parts are replaceable, reducing the need to replace the whole base!

Lug and slot assembly for middle support bar, guarantees stronger base and faster assembly.

Top cover with non slip platform fabric, to avoid mattress slipping. This is replaceable and available in Black, Steel & Flint colours.

Super-fast lug and slot assembly. Extremely strong quick click corner brackets enable efficient and effortless assembly - no tools required!

For wider Double, Queen & King bases, a strong metal support bar fits end to end beneath the slats, taking the weight load over mattress.

Stronger laminated slats within frame to make a sturdy mattress foundation. No more breakages associated with traditional weaker pine slats.

Supplied standard with 10cm castor wheels, with two other sizes available.

Two 10cm glides are supplied as an option for the foot of the bed. Two other sizes available.

REPLACEMENT PARTS AVAILABLE:

Makers Bed Base Castors

Makers Bed Base Glides

Makers Bed Base Cover - Steel

Makers Bed Base Cover - Flint Grey

Makers Bed Base Cover - Black

Makers Bed Base Slat - Single

Housekeeping Tip:

We recommend 10cm castor wheels at the head of the bed for easier housekeeping, and 10cm glides on the foot of the bed for optimal support and strength.

Makers MII Commercial Split Base

Sprawl out or separate off? Why not have the best of both worlds!

Our new innovative Makers MII Commercial Bed Base can be purchased in King Split or Super King Split sizes. This offers flexibility and different configurations, whether it be stand alone beds or super sized luxury. With unique joining brackets to hold bases together, these bases are designed for the split and zip Midnight Euro-Top & Comfort Top mattresses.

- Strong upholstered hotel bed base in unique flat-pack form
- Super-fast lug and slot assembly. Extremely strong quick-click corner brackets enable efficient and effortless assembly of the bed frame – no tools required!
- Side height: 26cm + default leg height: 10cm (5cm and 15cm leg options available)
- Quick shipping/same day dispatch

Joining bracket fits onto the legs to hold split bases together.

MAKERS

Makers Steel Frame Bed

Introducing the Makers Steel Bed Frame – the ultimate hassle-free choice for student, worker, or budget accommodation. Boasting durability, low maintenance, and a hygienic edge over traditional wood frames, this bed frame is not only functional but also impressively robust!

Consisting of just three main components – head/tail ends, and the mattress frame – the Makers Steel Bed Frame ensures swift and straightforward assembly, allowing you to have this lightweight bed frame set up and ready for use in under 4 minutes! Elevate your sleeping experience with a bed frame that combines durability, low maintenance, and hygiene – everything you’ve been searching for in a reliable sleeping solution. But that’s not all – maximize your space with the Makers Steel Bed Frame’s compatibility with underbed storage solutions.

Available in four sizes to suit your preferences.

- Powdercoated for durability and longevity
- Mesh base slots into head & foot with tapered fit bracket, self tightening when occupied
- Recessed locking bolts tighten end frame to the base and can be tightened over time to eliminate shaking
- Strong 50 x 25mm x 2mm gauge high tensile base side rails
- Fully welded 3.5mm gauge mesh base for mattress support
- Nylon caps fit to the bottom of each bed leg, eliminating scratching on hard flooring
- Supplied flat pack, with assembly taking less than 4 minutes with no tools required!
- Commercially weight tested to 150kg capacity
- Replacement foot caps and locking bolt sets available

5 YEAR WARRANTY

Makers Stacka Commercial Bunk

The Makers Stacka is rated as our most popular bunk designed specifically for use in commercial hospitality. It's nothing less than well-built! We've incorporated heavier gauge steel in the framework to withstand the rigors of use in holiday parks, workers and student accommodation, backpacker dorms and youth camps.

The main posts and rails are from 1.2mm heavy gauge steel in a durable neutral grey powder coated finish. We know a bunk like this must take the knocks, so the side rails have a rail spacer that is welded and bolted securely. The mattress platforms are also bolted and bracketed to the posts for extra stability and have a welded anti-sag central support rail with added steel mesh overlay. Oh ... and the tough nylon end caps are too difficult to prise off so the kids won't be stuffing lolly papers and banana skins down inside the post!

- Colour: Gull Grey or Black
- Exceeds NZ/AUS safety requirements (AS/NZ 4220:2010).
- Weight tested to 300kg+ per sleeping tier
- Supplied flat pack and assembly required
- Steel is easy-to-maintain and preferred to wooden or upholstered options as pesky bedbugs don't like to hang around steel furniture!
- 5 year commercial warranty
- Couple with Napa Plus Innerspring Mattress or the lightweight Foam Mattress with Fire-Retardant Waterproof Cover

Makers Sofa Bed

Introducing the Makers Sofa Bed – where style meets versatility! The Makers Sofa Bed is available in single or double sizes, in either sleek Black PU or sophisticated Charcoal fabric. Our sofa bed is designed with the mantra: “Because space is a premium.” Elevate your space with this multifunctional masterpiece that effortlessly transforms from a chic sofa to a cozy bed, ensuring every square meter is maximised

The Linkrest sleeping mechanism smoothly unfolds with a straightforward ‘one-arm’ lift and pull motion. With the seat cushions affixed to the bed frame, they neatly tuck away underneath, offering both protection and a well-organized look.

- Strong sturdy timber and plywood frame
- Supportive high-density foam, seat & back cushions
- 12 cm foam mattress that folds away with frame
- Timber slats for higher level of support compared to traditional spring system sofa beds
- Main frame of the bed is heavy grade steel finished in industrial grey
- Practical Charcoal Grey upholstery fabric (exceeds M70 Martindale abrasion test) or commercial grade Black PU leather
- Care: Spot clean with damp cloth and silicone spray water-repellent
- Keep away from direct sunlight to prevent fading
- 2 year warranty on frame and foam (excluding general wear and tear on upholstery)

Makers Midnight Euro-Top

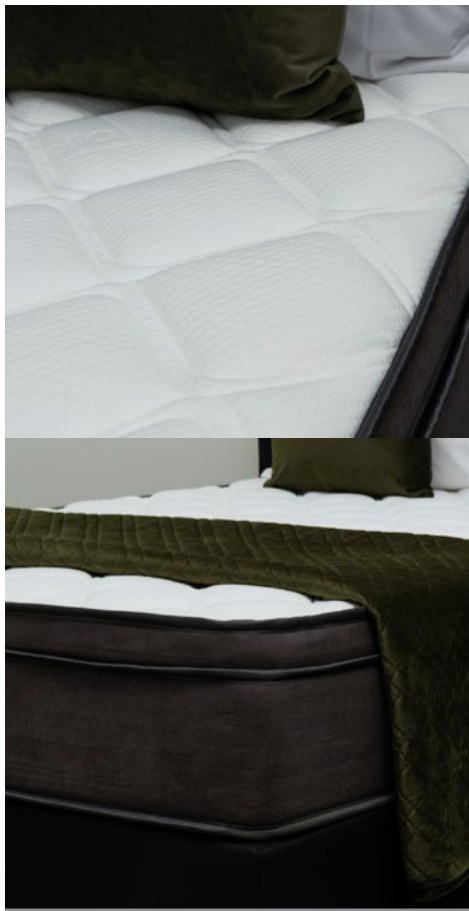

Are you searching for a mattress that your guests will rave about?

Delve into the Makers Midnight Euro-Top Mattress, the perfect choice for accommodation providers in search of an unparalleled inner-sprung mattress boasting a luxurious 300mm profile. Once you experience the Makers Midnight Euro-Top Mattress, you won't look back.

Give your guests the luxury of the superior pocket coil spring system, that elevates their sleeping experience with full-body support and unparalleled comfort. Each spring operates independently within its fabric pocket, adeptly responding to different body pressure points. This thoughtful design not only ensures a peaceful night's sleep for your guests but also minimises partner disturbance and eliminates the discomfort of potential roll-together.

The Makers Midnight Euro-Top Mattress is crafted with high-density foam encasing the inner springs. This increases the usable sleep surface and provides extra support to guests when they are getting in and out of bed. This is then topped with two separate layers of foam... a plush comfort foam followed by a more dense gel-cooling foam. This mattress is perfect for any season, regulating to the hottest and coldest of days with ease.

The Makers Midnight Euro-Top is available in all sizes from Single to Super King Split, offering a tailored solution for every sleep preference.

“

We have received excellent customer service and the products are of high quality. Friendly team who goes above and beyond to meet our needs.

Julie Barlow, Bay of Islands Gateway Motel

Having working with Vendella for a year, all communications and actions have been excellent. Great online pictures and information, instant communication (or within a few hours) to any query or request I had.

Mareea Paitai, Roma Marae

Whilst many companies were eager to work with us during our pre-opening, what stood out about Vendella was their team culture, which radiated quite clearly on the customer end. There was a feeling of being very valued, cared for and listened to as a customer, being not 'just another sale'. The team at Vendella took the time to understand our needs as a business with our strong focus and goal of being New Zealand's first 5 Green star rated hotel.

The Hotel Britomart

The New Zealand owned, and operated family company is well known in hospitality circles for not only great quality products, but the values the company was founded on by the Brodie family: passion, respect, gratitude, generosity, family, and integrity. And it's those values that underpin not only a great staff culture, but also the relationships Vendella has with its clients.

ibis Hamilton Tainui

We have found working with Vendella absolutely brilliant. We want to be able to provide a solution that isn't going to impede our customer with unnecessary detail. It has been really, really easy, and it has been great working with you guys.

Joel Sheeley, RSE Accommodation Solutions

I would recommend Vendella to any other accommodation provider – they are reliable, have a fantastic service and are very easy to deal with. Shipping was quick, and everything was as we expected it to be.

Driftaway Holiday Park

We have always found Vendella so easy to work with, right from the first point of contact. Vendella always has product or service solutions when we need it. As well as that they are very cost-effective and yes, our staff love the chocolate in every order!

Tracey Ford, University of Canterbury
